WE CAN DO FOR YOU.

WHAT OUR CLIENTS AND FRIENDS HAVE TO SAY—

"C. White Marine maintains a refreshing integrity while performing high quality services at cost effective pricing... we do not hesitate to recommend them."

David Porter, President
Childs Engineering, Medfield, MA

"C. White Marine exceeded our expectations in quality and cost. We would highly recommend them and would be happy to work with them in the future."

Chris Yeomans, Harbormaster
Town of Chilmark, MA

"C. White Marine was not only capable but extremely flexible with our schedule and never lost sight of our project goals of safety, budget, product and schedule. I highly recommend them."

Paul Pace, Project Manager,
Distrigas of Massachusetts, Everett, MA

"I have always found C. White Marine to be responsive, professional and technically knowledgeable. They are dependable and look out for the Owner's interests. It is a pleasure to work with them."

John O'Connell, P.E., Principal, Construction
Engineering Services, Newburyport, MA

"C. White Marine has been fantastic to work with over the years. We have worked for them both as a sub-consultant and as the Owner's Representative on waterfront projects. We recommend them for your next waterfront project."

Carlos Pena, Vice President,
CLE Engineering, Marion, MA
